**Adopt COVID-19 Policy for Unvaccinated Employees**

Commissioner \_\_\_\_ moved, per the recommendation of the County Administrator, to adopt the following policy.

Due to the ongoing COVID-19 pandemic and the County's desire to maintain a safe work environment for employees and constituents, as of August 23, 2021, employees who are not vaccinated and are required to quarantine due to an exposure to a presumed COVID contagious individual will not be permitted to telework in lieu of working in the office.

However, if an unvaccinated employee is healthy enough to telework and the employee has a normal schedule that includes regular teleworking, the employee shall be permitted to continue working their normal telework schedule when they have been exposed to a presumed COVID contagious individual.

Unvaccinated employees, regardless of the reason for their unvaccinated status, shall be required to use any and all appropriate leave for their scheduled time in the office during the quarantine period. Failure to report a known presumed exposure shall be grounds for discipline.

Additionally, all unvaccinated employees may be required to submit to a COVID test upon a schedule determined by the County Administrator and provide proof of a negative test to the County Personnel Department. If such testing is required, the County Personnel Department shall provide a list of all employees (vaccinated and unvaccinated) who are permitted to work in the office as often as indicated by the schedule determined by the County Administrator. This directive applies to departments who have the Board of County Commissioners as their appointing authority or co-appointing authority.
