RESIDENTIAL ELECTRICAL PLAN SUBMITTAL FORM Part B

General Instructions

- The plan submittal form must be filled out completely.
- The application may be faxed or e-mailed to our office at anytime. Once the application is approved the staff will call the applicant indicating approval and total cost of permit.
- All work shall conform to the National Electrical Code.

Submittal Requirements

1. Submit a one-line drawing complete from the point of service delivery from the utility, showing the size and type of all service conductors, grounding conductors, raceways, feeders and all panels and sub-panels.
2. Indicate the temperature rating of lugs if conductor size is based on ratings greater than 75°C.
3. Provide panel schedule if adding new circuits.
4. Provide layout of all new devices.
